FEBRUARY 1973

Alumni Communion Breakfast Returns Sunday, February 25th

After an absence of one year, the Annual Communion Breakfast for St. Michael's College School Alumni Members and their Families has been reinstated into the Calendar of Events of your Alumni Association. This Year's Breakfast is to be held on Sunday, February 25th, 1973 and if the past is any indication this will again be a popular event. A Folk Mass will take place in the School Gym at 10:00 a.m. followed by Breakfast in the Cafeteria.

The Communion Breakfast provides an opportunity for you as a Member of the Alumni Association to renew your acquaintance with St. Michael's in a Spiritual manner.

It also affords your wives and children a chance to participate along with yourselves in an activity of your Alumni Association.

This year, as in the past, we are endeavouring to have a member of the Toronto Maple Leafs as our Guest Speaker and Head Table Gue. Jim Gregory and John McClelland of the Leafs have promised to provide us with one or more of their players for this year's event. At press time, however, we had not received the names of those who would be attending on the 25th.

As you might know, the Alumni Association reserves the Arena Ice every Sunday between 12 Noon and

1:30 p.m. for Family Skating. For those interested in going for a skate with your Family after the Breakfast, we will provide you with a ticket which will allow you to Skate during the Family Skating time for 25¢ rather than the usual 50¢. The maximum charge for a single Family will be \$1.00. If you don't wish to use these tickets on the 25th, they will be honoured the following Sunday.

For Reservations for the Communion Breakfast please telephone: Mrs. Ann Marie Rosenitsch at 489-5634 or Mrs. Glenda Thomson at 445-3396 before WEDNESDAY, FEBRUARY 21st, 1973.

Turkey Roll—Reunion A Great Success

Friday, December 1st, 1972 was a cold, snowy and icy winter night but this did not prevent more than 500 Alumni Members and their friends from coming out to our Annual Reunion & Turkey Roll in the School Gym. This event continues to be one of the most popular attractions of the Alumni Association Schedule.

Our thanks go out to John Consitt and Ross Robertson who acted as Co-Chairmen for this year's event and to Father Penny and Jack Schmidt for their assistance in making this a truly successful evening. We also wish to thank all of the Teachers, led by Joe Younder and Dan Prendergast for their expertise in running the Games this year.

We hope that you will all plan now to keep the date of Friday, December 7th, 1973 open for our next Annual Reunion & Turkey Roll.

ARE YOU EXECUTIVE MATERIAL?

Are you interested in participating in the organizational aspect of your Alumni Association? Do you have one or two evenings a month to devote to Alumni business between September and June? Would you like to serve as a Councillor on your Alumni Executive? Are YOU Executive material???

We are in need of more Councillors to be part of our Executive and to assist us in planning and organizing our events. If you are interested, please let us know by writing to this year's President, Paul Thomson at 20 Rothwell Road, Scarborough, Ontario.

SCHOOL LOTTERY 1973

- 1st Prize — 1972 Oldsmobile '98 or \$5,000.00
- 2nd Prize — 1972 Datsun or \$2,500.00
- 3rd Prize — Colour T.V. Set or \$500.00
- 4th Prize — Stereo Set or \$250.00

These were the Prizes offered in the first-ever St. Michael's College School Alumni Association Lottery, conducted in April of 1972. Plans are now under way for the Second Lottery to be held this coming Spring. Once again your Alumni Association is looking forward to working with the Staff and Students of the School in this Fund Raising Activity.

Last year's highly successful initial venture into this field reached its objective and netted the School some \$30,000.00. The success of the Lottery enabled the School to hold its Tuition Fees at \$325.00 for the fourth consecutive year. This in spite of the fact that the actual annual cost to the School of educating each student is now in excess of \$900.00.

It is the School's aim to keep the fees within the reach of the average parent seeking a Catholic education at the Secondary level for their sons. This highly

desirable objective can only be achieved if sources of income other than tuition fees can be tapped. It was with this in mind that Alumni Members Bernie Smith, Frank Moreau, Frank Thickett, Bob Carrie and John Walsh suggested a Lottery as a means of raising money for the School. April 1972 was a hectic month around St. Mike's, but as indicated, the Lottery was a huge success.

While detailed plans for the 1973 Lottery have not yet been finalized, April has once again been chosen as Lottery Month as S.M.C. It is the very real hope of your Executive that when the Students start their sales campaign that all members of this Association will support them through the purchase of Lottery tickets . . . And just maybe win yourself a Stereo Set . . . or a Colour T.V. . . . or a Datsun . . . or a 1973 Oldsmobile '98.

St. Michael's Old-Timers Hockey Club

John F. Gouett informs us that his hockey team is ready for another active year of competition. At press time, John has commitments for five games in various communities in Ontario. On February 18th, they play in Bobcaygeon, on March 4th in Elora, on March 11th the team plays in Walkerton and on March

25th they travel to Marmora. Their fifth game will be sometime during April against the Ontario Professional Golfers' Association Team and will probably be played in Toronto.

All of the games are played to help raise funds for a local project or charity. John tells us that he

could still handle a few more games this year and if anyone knows of an organization who would like to play an Exhibition Hockey Game in their Community against the S.M.C. Old-Timers, please give John a call at 1-705-742-0323.

Old Boys' Hockey Proves Successful

As previously announced, every Wednesday Evening at 6:00 p.m., The Alumni Association sponsors a Hockey Program, for the graduates of the school.

Co-Chairman Frank Kielty and Greg Hornberger have assembled a group of 24 "Old-timers" who participate "when they are able". Due to business pressures, etc., the attendance per evening ranges from 14-18 members. However, the cost is borne equally by all, by way of a \$40.00 membership fee for the season, which extends from early October to late March.

The only draw-back is the absence of goaltenders. Prior to the 1973-4 Season, we hope to be able to make the necessary arrangements to ensure goaltenders at every session. If any of our readers are goalies or if you know of any goalies who would like to play GRATIS for the rest of the season please contact Greg Hornberger at:

Office — 362-4546

Home — 233-0550

Our group is composed of an assortment of hockey talents, ranging from Junior "A"-Calibre down to the Junior "E" or so. However, the ex-stars of the game are a little bit slower, (age and lack of conditioning are excellent equalizers!) so the games prove to be quite competitive, with all participants enjoying the exercise.

The teams change from week to week thus preventing any serious rivalries.

Full equipment is obligatory, but body-checking forbidden. As a consequence we have enjoyed an injury-free season (except for the usual pulled-groins that are expected from such well-conditioned athletes!).

An added feature of the evening is had in the Old Boys room, on the second floor of the arena. Past President John Walsh chairs this particular "added attraction".
